# Notice of Public Hearing on Tax Increase

The Hamilton County Hospital District (HCHD) will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 1.49 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax rate calculated under Tax Code Chapter 26). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The first public hearing will be held on September 19, 2019 - 12:00 Noon at Hamilton General Hospital Board Room.

The second public hearing will be held on September 23, 2019 - 12:00 Noon at Hamilton General Hospital Board Room.

The members of the governing body voted on the proposal to consider the tax increase as follows:

FOR: Bill Craig, Doug Forrest, Mike Collett

AGAINST: 0

PRESENT and not voting: 0

ABSENT: Neil Muxworthy, Robert Witzsche

The average taxable value of a residence homestead in HCHD last year was \$ 98,838

Based on last year's tax rate of \$ .17 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$ 168.02

The average taxable value of a residence homestead in HCHD this year is \$ 96,048

If the governing body adopts the effective tax rate for this year of \$ .1675 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$ 160.88

If the governing body adopts the proposed tax rate of \$ .17 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$ 163.28

Members of the public are encouraged to attend the hearings and express their views.
