

HAMILTON  
HEALTHCARE  
SYSTEM

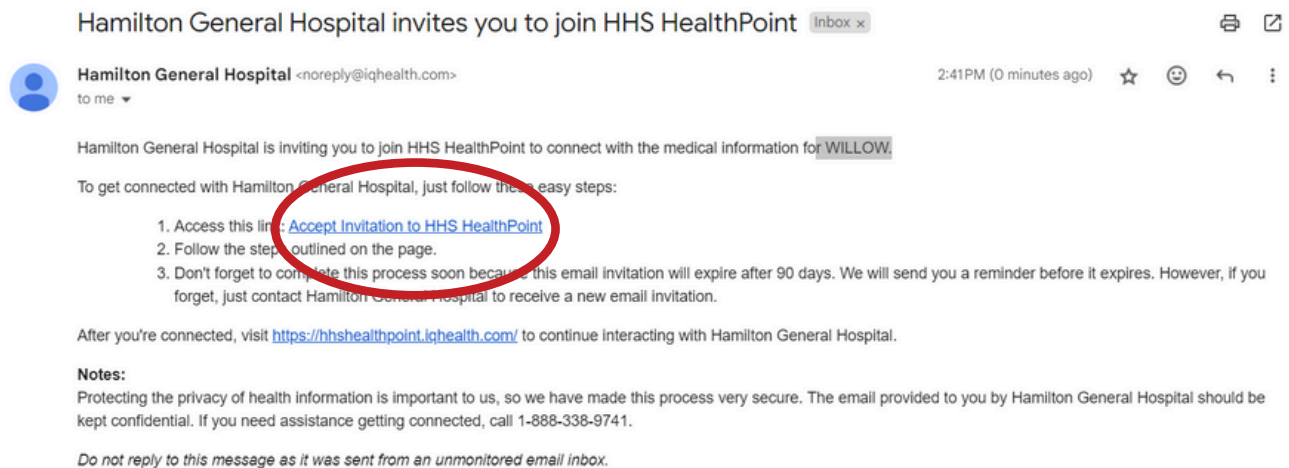

# Welcome to Your New Patient Portal!

## Step by Step Guide for Accessing Your Patient Portal

1.

After your appointment at one of our clinics or Hamilton General Hospital, you will receive an email inviting you to join HHS HealthPoint. Click the “Accept Invitation” link.

2.

Fill out your date of birth and the answer to the challenge question that you filled out at the time of Registration. You must also agree to the Terms of Use and Privacy Policy before you can create your account.

**HAMILTON HEALTHCARE SYSTEM**

### Welcome to HHS HealthPoint

HHS HealthPoint is your online connection to Hamilton General Hospital. Here you can see the health and visit information kept in our electronic health record. You can also access an expanding number of online health services.

#### Answer the Security Question

By verifying your information with Hamilton General Hospital, you help us keep our medical record information secure.

5.

You can also access your patient portal through the HealthLife app. The organization name will be: Hamilton Healthcare System

If you already have an account and try to create one, you will receive a pop-up blocker letting you know there is an account already created with the specific email address.

For questions or help with accessing your patient portal please call the Patient Portal Help Desk at 877-621-8014.
